- Students taking **General Subjects** will have the opportunity to take mock exams during **Friday Week 9 and all of Week 10**.
- Students are to decide whether they want to have Exam Supervisors supervise these tests, or do them in their own home.
- CSDE will print and post hard copies of the exam to student's home addresses. If students have not received a copy by week 9, please contact your class teacher. School based students will have their exams posted directly to their base school.
- When the exam is complete, **exams should be scanned and emailed to class teacher on the day of the exam**. Feedback will be given in class time.
- Students are not expected to attend class if they are sitting a mock exam, i.e if your exam is scheduled for 9:00am, you are not expected in class for Periods 1 & 2. If your exam is scheduled for 12:00pm, you are not expected in class for Periods 3 & 4. **Students should be attending all other classes when they are not sitting a mock exam.**
- School based students should negotiate with their schools for the best time for them to sit their exams.
