

Komatsu Apprentice Program

Unlock your potential

What is an Apprenticeship?

- Supportive learning journey
- Gain hands-on paid training with formal education
- Facilitated by a Registered Training Organisation (RTO)
- Earn while gaining a nationally recognised qualification
- Solid foundation for a successful career
- Upon completion, receive both a formal qualification and on-the-job skills
- Highly regarded by employers
- Typical duration ranges from 3 to 4 years

Types of Apprenticeships

Explore endless possibilities with over 500 diverse qualifications available through Apprenticeships or Traineeships. Explore various apprenticeship streams by visiting - www.yourcareer.gov.au.

How Much Can You Earn?

Apprenticeships offer a lucrative opportunity to earn while you learn. In the Mining, Construction, and Earthmoving industry, a typical apprentice can accumulate over \$150,000 throughout their apprenticeship. A mature aged apprentice can expect to receive wages of up to \$230,000 over the 4 years. A Komatsu technician, once fully qualified and working in the construction and mining sector, can earn an impressive annual salary ranging from \$100,000 to \$220,000.

Getting Started

If you're still in school, take the first step by discussing apprenticeship options with your VET coordinator or school counsellor. Express your interest, and they can connect with us to address any inquiries, setting you on the path to a fulfilling apprenticeship journey. Your future begins with the right conversation.
